

NGO TRANSMISSION, INC.

Discounts

Requirement of the Federal Energy Regulatory Commission

"Any offer of a discount for any transmission service made by the Transmission Provider must be posted on the OASIS or Internet website contemporaneous with the time that the offer is contractually binding. The posting must include: the name of the customer involved in the discount and whether it is an affiliate or whether an affiliate is involved in the transaction, the rate offered; the maximum rate; the time period for which the discount would apply; the quantity of power or gas scheduled to be moved; the delivery points under the transaction; and any conditions or requirements applicable to the discount. The posting must remain on the OASIS or Internet website for 60 days from the date of posting." 18 C.F.R. § 358.5(d).

Required Postings

All of NGO Transmission's firm transportation and storage capacity has been contracted at the maximum recourse rate stated in the tariff. NGO Transmission is not required to provide interruptible service at discounted rates. However, shippers may request discounts when nominating interruptible service and any such discounts will be reported in the Interruptible Services Report on NGO Transmission's website to the extent they are granted. Any discounts offered by NGO Transmission that are not specifically requested by customers will be posted here. (There are no such offers to report at this time.)
